#### Section 6 Chaplain and Faith-Based/Religious Services

**Version: 9 SEPT 2021**

**Author: Chaplain Aaron Meadows**

**Position: Chaplain to The Citadel and SCCC, and Director of Religious Activities**

- I. **Organization:** The Chaplaincy Department presently (JUL2021) consists of the Chaplain to the Corps of cadets (who is also the Director of Religious Activities), the Chapel Manger of Operations, the Director of Music and carillonneur, and the Director of the Gospel Choir. The Chaplain to the Corps of Cadets is responsible to the Commandant for all faith-based and religious services, programs, and chapel events that take place on The Citadel campus.

The Chapel staff coordinates and supervises all religious activities at the college, to include distinctive faith group, denominational and para-church activities, coordinates with Cadet Activities regarding faith-based student clubs, and ensures that all activities are conducted in accordance with College Regulations and policies. The organization's primary mission is to provide for the free exercise of religion, deliver pastoral care, support and 100% confidential counseling, as well as the necessary resources to sustain the faith needs of all cadets, faculty and staff regardless of religious affiliation. Integral to the organization's mission is providing counseling support and resources to all cadets, faculty and staff who do not identify with any religious belief or sectarian affiliation.

- II. **Functions:** Due to the military nature of the institution, military training schedule and environment the religious program at The Citadel is designed to support cadets', other students', and the larger campus community's free exercise of their religion. As a State institution, The Citadel does not endorse any particular religion or denomination. Religious activities and programs at the college are open to all cadets, students, employees, and their family members. Campus faith-based and religious groups and organizations are granted the same access to college facilities as approved student organizations.

The main functions of the Chaplaincy Department are to:

- A. **Provide pastoral care and support (Including completely confidential counseling)**
- B. **Supervise all Faith-Based/Religious Groups**
- C. **Coordinate with Cadet Activities to support faith-based student clubs**
- D. **Chair and Superintend the selection board for the yearly appointment of cadet Chaplains**
- E. **Ensure the execution of the Summerall Chapel, Non-Denominational Protestant Worship Service and Catholic Worship Service**

- F. **Administer the awarding of Special Orders for Religious/Faith-based reasons**
- G. **Oversee Summerall Chapel Color Guards**
- H. **Manage the Ushers Program**
- I. **Manage the Sexton Program**
- J. **Manage the Chapel Music Programs**
- K. **Maintain Chapel Recognition Program**

### III. Procedures:

#### A. Provide pastoral care and support

1. **Privileged (confidential) Communication:** Pastoral care and support encompasses providing confidential communication between the Chaplain to The Citadel and any member of the Citadel community seeing the Chaplain in his/her capacity as the Chaplain. Confidential communication shared with the Chaplain cannot be shared with a third party unless the Chaplain has the explicit informed permission of person whose communication is protected by the privilege to share that information with a specific third party.
2. **Completely Confidential Pastoral Counseling:** The counseling requested of the Chaplain may or may not be of a religious nature, depending on the needs presented. The Chaplain is available to talk about whatever concerns are presented and help to address those concerns and connect the counselee to other resources to ensure they get the help they need.
3. **Student/Campus Advocacy** – The Chaplain and Chapel staff work to advocate for the needs of the campus community. This includes the advocacy for free exercise, but also any needs that present themselves. The Chapel coordinates with CARE, Title IX, TAC officers, CADIC, the Counseling Center, the Department of Psychology, PSAF, outside helping agencies, academic departments, HR, etc. to ensure student/Citadel campus community needs are taken care of.
4. **Religious Services:** Regular, weekly worship services at The Citadel are provided at Summerall Chapel, as follows:
  - i. Christian Non- Denominational (Protestant): Sundays 0900
  - ii. Catholic: Sundays 1900 (Sacrament of Reconciliation, 1830)
  - iii. Anglican Eucharistic Service: Mondays 1830
5. **Religious Retreats:** The Chapel supports off campus faith-based retreat opportunities offered by the various faith groups. Students can participate in one such retreat per semester. The Chapel may on occasion offer such a retreat.
6. **Prayer Gatherings:** The Chaplaincy Department sponsors regular formal/informal prayer meetings or gatherings. Notices are posted to inform any interested individuals.

- 7. Religious Studies:** Topical or book specific religious studies may be sponsored by the Chaplaincy Department. These religious studies are faith-specific in nature. Notices are posted to inform any interested individuals.

- B. Supervise all Faith-Based/Religious Groups:** It is impossible for the Chaplain to provide for all the various “free exercise” needs of students living on campus. Additionally, due to the military schedule and inaccessibility for proper transportation to off campus worship options, the Chapel Department partners with and supports faith-based and religious groups coming on campus to provide for the “free exercise” needs of our cadets and wider campus community. A faith-based group must be sponsored by a national collegiate organization or proper denominational authority and meet the needs of a faith group preference on campus. Upon compliance with background checks and fulfilling training requirements at The Citadel, coordinated by the Chapel staff, the faith group will be chartered and authorized to conduct its religious activities.

Mondays and Thursdays from 1830-1945 are the standard authorized times for distinctive faith-based and religious groups to meet. The need for meaningful access to distinctive faith services, the size, number, and logistical requirements of the faith-based and religious groups that serve Citadel cadets all necessitate that availability and predictability be lent to these meetings. No mandatory cadet activity may be scheduled during these time as to inhibit a cadet's attendance at faith-based/religious activities unless approved by the President, Provost, or Commandant.

Faith-Based Campus Ministry Groups, include:

- – **African Methodist Episcopal**
- – **Anglican**
- – **Baptist Collegiate Ministry**
- – **Catholic Campus Ministry**

**C. Coordinate with Cadet Activities to support faith-based student clubs:** In addition to the faith-based groups who come on campus, cadets and other Citadel students may wish to form a cadet club around a specific religious interest. These clubs would fall under the Cadet Activities department as a campus club. Due to their religious affiliation the Chapel will coordinate and assist Cadet Activities in supporting and helping advise these student clubs.
